## Pacific Estuarine Research Society

The Pacific Estuarine Research Society (PERS) is a non-profit organization formed to bring together, for educational purposes, persons interested in estuarine and coastal issues of the North Pacific. Serving scientists in the U.S., Canada, and Japan, PERS conducts annual meetings where estuarine and coastal researchers, managers, policy makers, students and others share their work and ideas. As the need arises, PERS also sponsors meetings of special interest. The PERS Newsletter is published regularly and can be accessed, along with other information about the Society, through our website at <http://www.pers-erf.org>. PERS is one of several regional affiliate organizations of the Coastal & Estuarine Research Foundation (CERF). CERF conducts biennial meetings that draws attendees throughout the world. The journal *Estuaries* and a quarterly newsletter are published by CERF. More information about CERF can be obtained from their website at <http://www.erf.org/>.

**Annual dues are \$25 Professional, \$20 Students please make checks payable to PERS.**
